

Table is placed in one table instance

Our Paper Plane Models		
Our paper planes are the ideal way of passing the time. We offer revolutionary new developments of the traditional common paper planes. If your lesson, conference, or lecture turn out to be deadly boring, you can have a wonderful time with our planes. All our models are folded from one paper sheet. They are exclusively folded without using any adhesive. Several models are equipped with a folded landing gear enabling a safe landing on the intended location provided that you have aimed well. Other models are able to fly loops or cover long distances. Let them start from a vista point in the mountains and see where they touch the ground.		
1 Giant Wing		
Material	Offset print paper 220g/sqm	 <p>Amazingly robust!</p>
Benefit	It is amazingly robust and can even do aerobatics. But it is best suited to gliding.	

Table is placed in two table instances with some cell contents being repeated
