Mr Maurizio Moroni
Strada Provinciale 124
Reggio Emilia

Dear Paper Planes Fan,

Our BEST PRICE OFFER includes today:

Long Distance Glider
With this paper rocket you can send all your messages even when sitting in a hall or in the cinema pretty near the back.

Giant Wing
An unbelievable sailplane! It is amazingly robust and can even do aerobatics. But it is best suited to gliding.

Cone Head Rocket
This paper arrow can be thrown with big swing. We launched it from the roof of a hotel. It stayed in the air a long time and covered a considerable distance.

Super Dart
The super dart can fly giant loops with a radius of 4 or 5 meters and cover very long distances. Its heavy cone point is slightly bowed upwards to get the lift required for loops.

Visit us on our Web site at www.kraxi.com!

Yours sincerely,
Victor Kraxi
